

PREPARING FOR THE PRESENTATION

COMMUNITY / COLLEGE CHECK LIST

- ✓ Review Tech Rider and make sure all technical requirements for the presentation are met.
- ✓ If holding the presentation in a gymnasium, please set up the seating to face one end of the gym with chairs on the floor. This will prevent Chris from turning his back on the audience.
- ✓ Any press inquiries should be directed to Jenny Swider, Communications Director, by calling 401-243-8555 or emailing her at jenny@herrentalks.com. Please also notify her or Chris directly if any press will be sitting in on the presentation.
